

TAMMY GREENE

Welcome to ECE 133! Through this course you will learn more about engaging families of children with disabilities in your classroom, home, and community.

EDUCATION

I earned my bachelor's degree in Child and Family Studies with a concentration in Child Development from Berea College and am currently working on a master's degree in Education- Instructional Systems Design at the University of Kentucky.

EXPERIENCE

My work experience spans over 25 years and includes teaching, training adult learners, and directing in the field of early childhood education. I am currently employed with the Human Development Institute at the University of Kentucky and work with Child Care Aware of Kentucky as a Professional Development Coordinator.

Some of the most important lessons I have learned have come from children under the age of six.
