## Residential Room and Board Agreement

### Addendum

**11/16/2023**

In October 2023 Social Security provided notification that an annual cost of living adjustment of 5.9% will go into effect on January 1, 2024. The purpose of this communication is to notify [Resident's Name] (Resident) that Green Valley Kentucky will increase room and board charges from the current \$555.60 to \$588.38 effective January 1, 2024, and to extend the terms of the last signed residential agreement until the Resident's new 2024 ISP date is in effect. As of the Resident's next ISP date in 2024 a new residential agreement will be executed.
